

## Haiti Emergency - beds & mattresses needed

...orphan family of five children moved from this...

These orphan siblings live in this building with a poor aunt. They have never been to school and the eldest (in the middle) has to fetch water. They were invited to live at Loving Hearts Children's Home.

Can you help us to help them?

They urgently need a bed and mattress each

To give a financial donation please use any of the following methods

- Through our **secure online web site giving facility** - this is a free service where all donations are given to us without any charges from them: -
